Apologies to our customers but the following delivery changes are now in effect. Due to the current climate and the increase in Diesel costs, we will now need to charge for delivery of purchased items. We are now running a Delivery Tier system, which works as follows:

There will now be a dropdown called Delivery Tier, which you will need to choose before purchasing any of our items.

Tier 2 – £4.95 Delivery – This includes but is not limited to the following towns:
Letchworth, Hitchin, Stevenage, Baldock, Henlow, Clifton, Shefford, Pirton,
Langford, Biggleswade, Sandy, Potton, Ashwell, Flitwick, Amptill

Tier 3 – £9.95 Delivery – This includes but is not limited to the following towns: Bedford, Luton, Toddington, Houghton Regis, Dunstable, Harpenden, St Albans, Watford, Hatfield, Welwyn, Hertford, Ware, Royston, Buntingford

Tier 4 – £19.95 – This includes but is not limited to the following towns:

Please see the above Delivery Tiers and choose the correct option based on where the delivery is going to. We reserve the right to charge for an incorrect Delivery Tier selection or cancel and refund the order where possible.
